**RENEWED PETITION TO REVIVE ABANDONED APPLICATION**

Sir:

It is requested that the above identified application be revived as a pending application.

A Notice of Abandonment was issued on June 22, 2004 which followed a conversation between the undersigned and Examiner Howell on June 22, 2004. During that conversation, Examiner Howell informed the undersigned that an Office Action had been issued on October 3, 2003. That Office Action was never received by the undersigned.

Attached to this Petition are copies of the Patent Office Mail Log that is maintained by the undersigned's Office. It is the practice for the mail clerk to open all PTO mail and record its receipt in the Patent Office Log Book before the mail is sent to the docket clerk. A copy of the Docket Book page for the response date of January 3, 2004 is also attached to this Petition and it does not have any entry that indicates that an Office Action had been received in the above identified application.

A copy of a prior Petition is also attached to this Petition as well as copies of status letters that were filed in this application. Photocopies of the postcard receipts are also enclosed. For these reasons, it is requested that the present application be revived as a pending application as any abandonment was inadvertent.

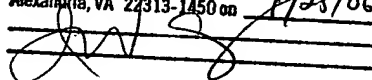

Authorization is given to charge any required fee to Deposit Account 08-1540.

Respectfully submitted,

James V. Costigan

PETITION TO REVIVE ABANDONED APPLICATION

Sir:

It is requested that the above identified application be revived as a pending application.

A Notice of Abandonment was issued on June 22, 2004 which followed a conversation between the undersigned and Examiner Howell on June 22, 2004. During that conversation, Examiner Howell informed the undersigned that an Office Action had been issued on October 3, 2003. That Office Action was never received by the undersigned.

Attached to this Petition are copies of the Patent Office Mail Log that is maintained by the undersigned's Office. It is the practice for the mail clerk to open all PTO mail and record its receipt in the Patent Office Log Book before the mail is sent to the docket clerk. A copy of the Docket Book page for the response date of January 3, 2004 is also attached to this Petition and it does not have any entry that indicates that an Office Action had been received in the above identified application.

For these reasons, it is requested that the present application be revived as a pending application as any abandonment was inadvertent.

Authorization is given to charge any required fee to Deposit Account 08-1540.

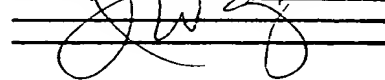

Respectfully submitted,

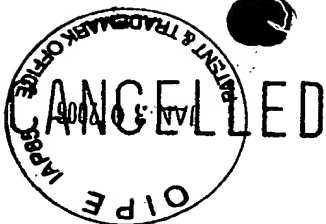

James V. Costigan
